Benefits	Stimulates metabolism and promotes healthy weight-loss	Boost your immune system, feel better faster	Alleviate your allergy symptoms!	This drip is beneficial for those who suffer from acute asthma attacks, migraines, fibromyalgia, muscle spasms, upper respiratory infections, fatigue, chronic sinusitis and seasonal allergies.	Help kick start the healing process for your gut if you suffer from any form of digestive issues, autoimmune disease, allergies, food allergies, chronic fatigue, brain fog, or mood disorders.
	If you are frustrated with diets and workouts alone, or you just want to lose a few pounds to reach your goal, this drip is your answer! Our essential blend of vitamins and minerals will stimulate your metabolism, help your body burn extra calories and fat, and increase energy!	Our immune system is essential for our survival. Without an immune system, our bodies would be open to attack from bacteria, viruses, parasites, and more. It is our immune system that keeps us healthy in our every day lives. If you are traveling, around anyone that was sick, or if you feel like you are coming down with cold or flu like symptoms, this drip will give your immune system a boost!	Symptoms of allergies can include fatigue, itchy and/or watery eyes, runny nose, congestion, sore throat, coughing, increased mucous, headaches, hives, and asthma.	The "Myers' cocktail", as it is known, is a specific combination of nutrients including Vitamin C, Calcium, Magnesium, and a complex of B vitamins. John Myers, MD pioneered the use of Intravenous (IV) vitamins and minerals as part of the overall treatment of various medical problems. This is a suped up version of the Myer's cocktail.	Signs of an unhealthy gut include, but are not limited to, abdominal pain, bloating, excessive gas, diarrhea and constipation. Symptoms of a leaky gut can be just about anything, ranging from fatigue, brain fog, mood swings, anxiety, and pain, to autoimmune disease and beyond. This drip was designed to support your immune system as well as provide important nutrients for healing the lining of your GI tract. Give your Gut the attention it deserves with this IV.
